TERMS & CONDITIONS

The terms and conditions which govern the provision of telecommunication services by Bharti Airtel Limited ('Airtel') are as mentioned below and your access and use of the Services (as defined below) shall be treated as your consent to be bound by the following appearing terms

The words 'you' and 'your' as appearing in these terms shall refer to you, i.e. - the subscriber, availing Airtel's Office Internet services.

1. I/We undertake to comply with all applicable laws and regulations, including without limitation, the provisions of the Indian Telegraph Rules, 1951 made thereunder, Indian Wireless Act 1933, IT Act 2000 and TRAI Act 1997 and any amendments or replacements made thereto from time to time.
2. I/We shall not re-sell the services procured from Airtel to any third party.
3. I/We ensure that objectionable, obscene, unauthorized or any other content, messages or communications infringing copyright, Intellectual property right and international & domestic cyber laws, in any form or inconsistent with the laws of India, are not carried out by us.
4. I/We shall provide necessary facilities to Airtel, TRAI, DOT or any other Government Agencies to counteract any unlawful activity.
5. I/We shall undertake that services from Airtel will not be used for any call center or other OSP-related service unless I/we hold a valid OSP registration certificate issued by the concerned Govt. of India authority.
6. I/We agree and undertake not use the services for any of the following activities:
   a. Voice communication by means of dialling a telephone number (PSTN/ISDN/PLMN) until and unless I/We hold
   b. Originating/terminating the voice communication from/at a telephone in India.
   c. Establishing connection to any Public switched network in India and/or establishing gateway between Internet & PSTN/ISDN/PLMN in India, until and unless I/We hold appropriate licenses and approvals and the same is informed to Airtel.
   d. Use of dial up lines with outward dialling facility from nodes.
   e. Routing public Internet traffic between links of two or more Internet Services Providers (ISPs)
7. Price: All prices are exclusive of tax which will be payable extra at applicable rates. Any Change in Tariffs/Regulation from Telecom Regulatory Authority of India (TRAI) would be applicable with immediate effect.
8. Bharti Airtel Limited shall not be responsible for any installation, commissioning or maintenance of any equipment or hardware unless supplied by Bharti Airtel Limited or otherwise agreed by us.
9. Contract Period: Rates set forth under each service order shall be fixed for the duration of the service order term unless otherwise agreed between the parties. Service order term will be either 12 months (minimum) or agreed service term whichever is higher.
10. "No Termination for convenience: Customer cannot exit from the contract for convenience or Business reason during the service order term. In all such cases, Exit penalty of the amount equal to remaining term of the order will be payable in case of early exit.
11. No Termination for convenience right for deals involving investment/HW recovery on opex"
12. "Payment terms: Payment terms will be Monthly in advance for recurring charges and the one-time charges.
13. Network Acceptance would be link wise as per the following criteria - Network Acceptance Test Criteria would be Ping test from CE modem/Mux towards Bharti Service Equipment & payment to be released on link wise basis.
14. Site wise acceptance shall be provided and site wise payment will be released accordingly.
15. For any hardware/ CPE on rental: Any intentional damage / mishandling / theft of equipment(s) deployed at end customer points will be the responsibility of the customer and replacement would be charged additionally at actual cost.
16. The given rates are applicable only for this particular scope of work. In case bandwidth upgrade/new links are required, the same will be treated as a separate request and pricing shall be proposed accordingly.
17. Given prices are based on L1 feasibility. During implementation if any sites needs an additional capital expenditure or the site becomes completely non feasible even after best effort to establish the link, customer shall be informed/charged accordingly for additional expense.
18. Any client request for travel & manpower support shall be charged at actual.
19. Shifting charges will be additional, charged as per actuals.
20. User to comply with all applicable laws and regulations including, the provisions of the Telegraph Act 1885, TRAI Act 1997, etc.
21. Airtel shall not be liable for any cost to the customer in any manner whatsoever for any loss of profits, goodwill, consequential losses (including any actions brought by a third party), whether direct or indirect.
22. Site readiness & site availability (Space, rack, power earthing, internal cabling, LAN work, conduiting, access) will be in customer's scope. Delay in installation due to site not ready shall not be considered under any penalties.
23. Service level agreement: Airtel provides SLA as per the media on best effort basis. Customers shall allow Bharti to carryout maintenance activities as and when required.
24. Service Order Term will start from the date of commissioning or from the date of renewal of such Service Order (hereinafter referred to as the "Service Effective Date") . In case a Service Order provides for multiple locations, Airtel shall invoice the Customer basis each individual locations from the Effective Date and the Service Order Term shall be twelve (12) months from the Effective Date of each such link/circuits.

DRAFT

25. Contract will be automatically renewed annually in a cycle unless revoked at time of completion of the cycle. All rate revisions will be applicable from the next quarter with no back dated revisions.

26. In the event of termination of a link(s) or partial termination of the Data Services during the Service Order Term for the respective link(s)/Data Services by the Customer, Airtel reserves the right to charge for the residual term at the rates as mentioned in the SAF ("Termination Charges") and Customer agrees to pay such Termination Charges along with charges for Data Services rendered up to the effective date of termination within thirty (30) days of the date of the invoice.

27. Any change in the applicable taxes, duties, fees, government levies including but not limited to the license fees shall be borne by Customer.

28. Any delay in the payment of any undisputed amount beyond the due date as printed on the invoice shall attract overdue interest of 2% per month, where the minimum unit of time shall be computed as one(1) month and shall be considered in multiple thereof, if applicable.

29. Customer may raise any dispute within thirty (30) days of raising the invoices, beyond this time the customer agrees to waive off its right to raise any dispute related to the invoice.
