TERMS & CONDITIONS

The terms and conditions which govern the provision of telecommunication services by Bharti Airtel Limited ('Airtel') are as mentioned below and your access and use of the Services (as defined below) shall be treated as your consent to be bound by the following appearing terms

The words 'you' and 'your' as appearing in these terms shall refer to you, i.e. - the subscriber, availing Airtel's Office Internet services.

1. I/We undertake to comply with all applicable laws and regulations, including without limitation, the provisions of the Indian Telegraph Rules, 1951 made thereunder, Indian Wireless Act 1933, IT Act 2000 and TRAI Act 1997 and any amendments or replacements made thereto from time to time.
2. I/We shall not re-sell the services procured from Airtel to any third party.
3. I/We ensure that objectionable, obscene, unauthorized or any other content, messages or communications infringing copyright, Intellectual property right and international & domestic cyber laws, in any form or inconsistent with the laws of India, are not carried out by us.
4. I/We shall provide necessary facilities to Airtel, TRAI, DOT or any other Government Agencies to counteract any unlawful activity.
5. I/We shall undertake that services from Airtel will not be used for any call center or other OSP-related service unless I/we hold a valid OSP registration certificate issued by the concerned Govt. of India authority.
6. I/We agree and undertake not use the services for any of the following activities:
   a. Voice communication by means of dialling a telephone number (PSTN/ISDN/PLMN) until and unless I/We hold
   b. Originating/terminating the voice communication from/at a telephone in India.
   c. Establishing connection to any Public switched network in India and/or establishing gateway between Internet & PSTN/ISDN/PLMN in India, until and unless I/We hold appropriate licenses and approvals and the same is informed to Airtel.
   d. Use of dial up lines with outward dialling facility from nodes.
   e. Routing public Internet traffic between links of two or more Internet Services Providers (ISPs)
7. Price: All prices are exclusive of tax which will be payable extra at applicable rates. Any Change in Tariffs/Regulation from Telecom Regulatory Authority of India (TRAI) would be applicable with immediate effect.
8. Bharti Airtel Limited shall not be responsible for any installation, commissioning or maintenance of any equipment or hardware unless supplied by Bharti Airtel Limited or otherwise agreed by us.
9. Contract Period: Rates set forth under each service order shall be fixed for the duration of the service order term unless otherwise agreed between the parties. Service order term will be either 12 months (minimum) or agreed service term whichever is higher.
10. "No Termination for convenience: Customer cannot exit from the contract for convenience or Business reason during the service order term. In all such cases, Exit penalty of the amount equal to remaining term of the order will be payable in case of early exit.
11. No Termination for convenience right for deals involving investment/HW recovery on opex"
12. "Payment terms: Payment terms will be Monthly in advance for recurring charges and the one-time charges.
13. Network Acceptance would be link wise as per the following criteria - Network Acceptance Test Criteria would be Ping test from CE modem/Mux towards Bharti Service Equipment & payment to be released on link wise basis.
14. Site wise acceptance shall be provided and site wise payment will be released accordingly.
15. For any hardware/ CPE on rental: Any intentional damage / mishandling / theft of equipment(s) deployed at end customer points will be the responsibility of the customer and replacement would be charged additionally at actual cost.
16. The given rates are applicable only for this particular scope of work. In case bandwidth upgrade/new links are required, the same will be treated as a separate request and pricing shall be proposed accordingly.
17. Given prices are based on L1 feasibility. During implementation if any sites needs an additional capital expenditure or the site becomes completely non feasible even after best effort to establish the link, customer shall be informed/charged accordingly for additional expense.
18. Any client request for travel & manpower support shall be charged at actual.
19. Shifting charges will be additional, charged as per actuals.
20. User to comply with all applicable laws and regulations including, the provisions of the Telegraph Act 1885, TRAI Act 1997, etc.
21. Airtel shall not be liable for any cost to the customer in any manner whatsoever for any loss of profits, goodwill, consequential losses (including any actions brought by a third party), whether direct or indirect.
22. Site readiness & site availability (Space, rack, power earthing, internal cabling, LAN work, conduiting, access) will be in customer's scope. Delay in installation due to site not ready shall not be considered under any penalties.
23. Service level agreement: Airtel provides SLA as per the media on best effort basis. Customers shall allow Bharti to carryout maintenance activities as and when required.
24. Service Order Term will start from the date of commissioning or from the date of renewal of such Service Order (hereinafter referred to as the "Service Effective Date") . In case a Service Order provides for multiple locations, Airtel shall invoice the Customer basis each individual locations from the Effective Date and the Service Order Term shall be twelve (12) months from the Effective Date of each such link/circuits.

DRAFT

25. Contract will be automatically renewed annually in a cycle unless revoked at time of completion of the cycle. All rate revisions will be applicable from the next quarter with no back dated revisions.

26. In the event of termination of a link(s) or partial termination of the Data Services during the Service Order Term for the respective link(s)/Data Services by the Customer, Airtel reserves the right to charge for the residual term at the rates as mentioned in the SAF ("Termination Charges") and Customer agrees to pay such Termination Charges along with charges for Data Services rendered up to the effective date of termination within thirty (30) days of the date of the invoice.

27. Any change in the applicable taxes, duties, fees, government levies including but not limited to the license fees shall be borne by Customer.

28. Any delay in the payment of any undisputed amount beyond the due date as printed on the invoice shall attract overdue interest of 2% per month, where the minimum unit of time shall be computed as one(1) month and shall be considered in multiple thereof, if applicable.

29. Customer may raise any dispute within thirty (30) days of raising the invoices, beyond this time the customer agrees to waive off its right to raise any dispute related to the invoice.

30. In case of conflicting terms between various documents, unless specifically mentioned, following will be the priority of the document for interpretation of the term, in descending order ----- 1) CAF/SAF 2)MSA 3)PO

31. User Acceptance Test of links shall be done site wise . Accordingly billing shall start as soon as respective site has been tested and payments shall become due accordingly.

32. The Services from Airtel will not be used by the Customer for any Call Center or Other OSP related Services

33. The Services from Airtel will not be used by the Internet Service Providers (ISP) with or without License holder for ISP Related Services or/and bandwidth reselling.

34. We also hereby acknowledge that in case we have not provided Regular GST Registration number for mentioned states/union territories to BAL, we will become disqualified for claiming Input Tax Credit of GST (CGST, SGST/UTGST, IGST) charged by BAL on the supplies made by BAL in mentioned states / union territories to us. Further, we also hereby declare that while making Invoice payment we will neither hold nor make any deductions of any kind on account of non-availment of input tax credit by us in captioned states/union territories.

35. Declaration: Customer's signatory and/or the person submitting this SAF to Airtel confirms that he/she has read and agrees to the SAF and is authorized to sign this SAF and/or submit it on behalf of his/her company.

36. The customer shall not re-sell the services procured from Airtel to any of its affiliates or group companies and any other third party, unless having the required authorization from the concerned authorities to do so.

37. Certain Services may require the installation of equipment at the premises where Services are to be provided. For example, modem, EPABX, phone instrument etc. (each a "CPE"). Unless such CPE has been expressly sold to you with a written receipt for such sale, all CPE shall always remain the exclusive property of airtel and you shall have no right, lien or charge over the same. All CPE Is to be maintained in accordance with the CPE manufacturer's instructions, the warranty instructions and also any additional Instructions that may be given by airtel in this regard

38. You may not, under any circumstances, make any changes in the way the CPE is installed/configured or in the way CPE has been designed to access the Services or in the manner CPE has been programmed to access the Services by airtel, you may not use the CPE for any purpose other than to avail the Services. airtel reserves the right to change/upgrade the CPE from time to time.

39. You shall be liable for any damage to the CPE and in such cases airtel shall provide a repair/replacement in accordance with its then applicable policies. Such CPE as well as the repair/replacement of CPE may be provided by airtel through its partners and sub-contractors.

40. airtel reserves the right to physically audit the CPE at the premises where it is installed to ensure that the CPE is being used in accordance with these terms. Any usage of CPE in violation of these terms shall be grounds for suspension/termination of Services. CPE shall be returned to airtel post the termination of Services.

41. You agree that fixed line and/or Internet will be provided subject to operational and technical feasibility.
You agree that DSL/Broadband speed is the maximum prescribed speed for which you are entitled and airtel does not assure that - the said speed shall be maintained at all the times and the same may vary depending up on the network congestion, technical reasons or any other unavoidable circumstances.

42. You further agree that Installation of broadband and/or fixed line services require several vital and time consuming activities, inter alia, including laying down of cable, proper wiring of the area/premises, allocation of tag in the switch, other technical requirements etc and therefore airtel does not assure that any fixed timeline for activation of services, airtel shall endeavour to activate the Service within reasonable time and you agree that You shall not raise any claim or action or damages of whatsoever nature on account of delay in activation of Services and, in case of any default by airtel, Airtel maximum cumulative liability shall be limited to a refund of the Initial amount paid by you.

43. You shall maintain log of all users connected and the services they are using. users connected service using must every outward through their computers. You must also log every outward login or telenet through their computers.

44. These logs, as well copies all the packets originating from customer equipment or CPE must available in REAL TIME to the applicable authorities. In the event you install Wi-Fi network, shall inform airtel and undertake to;
(i) use secured Wi-Fi network connection to avoid any misuse
(ii) be solely liable and responsible for any use/misuse of any Wi-Fi installation;
(iii) Setup and maintain your authentication mechanism for ensuring the security of internet usage through Wi-Fi Services;
(iv) Keep a log of all events Wi-Fi network for period of at least a one year and shall provide same to regulatory and/ or security agencies as and when demanded. you agree to take the required measures to ensure that any spam or malicious traffic is not generated from your end.

45. The procedure for metering of charges and shifting, transfer, closure, custody Services/CPE etc. shall such as may determine by airtel from time to time.

46. Transfer airtel connection/services shall be as per Airtel's policy . Only service personnel authorized by airtel in this regard shall allowed inspect & rectify the equipment in case of any malfunction. Unless specifically allowed airtel, you shall not change configuration of EPABX settings during installation or any time subsequent thereof by way of which any of the the under-mentioned possibility could arise;

(i) any setting in the EPABX resulting in only the pilot number being transmitted irrespective extension (Directory Number) from which the call is originating;
(ii) any setting in the EPABX resulting in incomplete extension (Directory Number) being displayed. Thereby meaning that lesser number of digits are either allotted or displayed;
(iii) you shall provide a certificate from the EPABX Equipment Vendor (wherever specially sought by airtel) that the software has not been tampered in violation of the National Numbering Plan specified DoT;
(iv) in case you wish to use the EPABX private network and PSTN, you must have proper authorization from DoT/TRAI and must ensure that the separating traffic is done through logical partitioning.

47. Symmetric Speed is applicable only in case of fiber last mile only
48. In case of existing customer opting for new Airtel Office Internet plans- a separate bill would be generated for Airtel Office Internet.
49. In case you are an existing DSL customer for Airtel business, you will be getting a new bill for Airtel office Internet- which is a new product with plan specific additional benefits.
50. We, at Airtel do not ask our Customers to make any payment (recurring or non-recurring) for our services to any third party vendor's bank account. All payments must be paid to Airtel directly in the bank account mentioned in valid invoices raised by Airtel.
